

Ohio Use Tax

The Ohio use tax was enacted in 1936 as a companion to the Ohio sales tax. All states that levy a sales tax also levy a use tax. The use tax was primarily enacted to protect Ohio businesses from sales lost to out-of-state retailers. Because some out-of-state retailers are not compelled to collect sales tax, they may have an unfair advantage over Ohio retailers when selling to Ohio consumers. The use tax also protects the state of Ohio from lost revenue from such sales and from improper use of claims for exemption from sales tax. Ohio consumers (businesses and individuals) who purchase taxable goods and services without payment of Ohio sales tax to retailers owe use tax on those purchases. The use tax rate in your county is equivalent to the sales tax rate.

If you are not currently registered with Ohio for reporting consumer's use tax, you should review your purchase records for the last year and determine if Ohio use tax is due. If use tax is due, please complete the use tax voluntary payment form and submit it with payment of the amount due.

Make your check payable to the Ohio Treasurer of State and mail both the form and payment to the Ohio Department of Taxation, Sales and Use Tax Division, P.O. Box 530, Columbus, OH 43216-0530.

Instructions for Completing the Ohio VP Use Form

- Enter your sales tax account number (if you have one) and your FEIN or Social Security number.
- Reporting period for which your purchase records were reviewed (generally the previous 12 months, but could be for more or less time).
- Enter the two-digit county code from the list on page 2 to indicate where goods or services were used.

Box 1. Taxable purchases – The total amount of taxable purchases on which no sales tax was paid at the time of purchase.

Box 2. Tax liability – The total amount of taxable purchases reported on line 1 multiplied by the use tax rate in effect in your county during the reporting period. Remember that the use tax rate is equivalent to the prevailing sales tax rate in your county.

Box 3. If, on a regular basis, you are making taxable purchases upon which no tax is being charged, you should check the box and a consumer's use tax registration form will be sent to you, or you may apply for a consumer's use tax account online at the Ohio Business Gateway (obg.ohio.gov).

Please do not combine your payment of the VP USE form with the payment of any other return.

Please detach here – DO NOT USE PENCIL to complete this form.
